

OUR POLICY IS ZERO TOLERANCE

As we relaunch after lockdown 3.0, SoccerPitch are, with immediate effect, operating a **zero tolerance** policy across **all** leagues.

This includes; abuse, foul language and intimidation towards any match official or member of SoccerPitch staff. A minimum ban of **3 weeks** will be enforced for even 'minor' offences. The maximum ban of **permanent exclusion** will be issued with no hesitation if SoccerPitch feels it is justified to do so.

Any ill-discipline including; aggressive play, intimidation and violence towards any player will use the same system as above. Where we feel that action be directed towards a whole team for offences, SoccerPitch will not hesitate in permanently excluding teams.
